This year has been moving along really fast. I would like to thank all members and committees that have helped me along the way. Without them, the meetings, programs, and cruises would not have been a success. We had many interesting programs and speakers. The cruises this summer were exciting and were well planned. My best personal accomplishment this year has been completing the AP and JN courses, along with all the work I have done being administrative officer. By fall of 11, I plan to be a full certificate. A couple things I would have liked to work on more were ships store and membership. It would have been nice to see more new members join the squadron.

I feel humbled to have been nominated to this position and look forward to being executive officer next year. There is still much for me to learn before I become commander, and I will try my best to do everything that is expected of me.

Lt/C Jason Snook, JN

Cdr Ed Fairchild, AP

Email: Brazen67@yahoo.com

From the desk of your Commander,

It seems like this year has gone by very fast. It is hard to believe that we are already looking at our upcoming Christmas Party, election of officers for next year, and the Change of Watch.

I am very proud of the 2010 Bridge. They worked very diligently to make the Squadron the best it can be.

Our Executive Officer, Lt/C Linda Fairchild, AP and her PR team kept the Squadron's name out in front of the public every chance they had. The Point Place Parade, the flyers for classes, the Antique Boat Show, the Cedar Point Boat Show, just to name a few. The Vessel Safety Examiners inspected over 280 boats.

Our Squadron Educational Officer, P/Cdr Larry Cole, SN did a great job with classes. Over 70 people took the Safe Boating Course, 8 people passed the Advance Piloting Course, and we have 2 new JN's, and a Seamanship Class is in progress with 6 students.

Our Administrative Officer, Lt/C Jason Snook, JN had a busy year. He and his committees did a lot. First we have had some great speakers for our meetings. We have had some fun filled adventurous cruises this year. I am told by all who attended the D9/D29 Fall Conference that the M.A.S.H Hospitality Room was a highlight of the Conference.

Our Treasurer, Lt/C Ray Gall, AP and our Secretary, Lt/C Deb Shaulis, P did great jobs. Ray has kept us in budget and Deb has kept all of you up to date with minutes from all our meeting.

Our Breeze Editor, 1st Lt Tami Wioland, P did a great job with the Breeze with some great articles and lots of pictures. Kudos to her.

I can't thank those who helped with the Commander's Rendezvous enough. You helped to make it a great success.

We have had a great year, and I thank everyone for your participation and willingness to help.

I am sure that under your new Commander, next year will even be better.

Soaring To New Heights in 2010,
Cdr Ed Fairchild, AP

From the desk of your Executive Officer,

This has been a busy year for the squadron. I have seen many opportunities come to fruition, and I have heard many ideas and plans for the coming year.

I want to personally thank all of the Vessel Safety Examiners for their time and energy spent in examining vessels and making sure that they met all of the requirements set forth by state and federal regulations. Our numbers were down a little from last year, but the district as a whole was down in numbers for VSE's. Our examiners checked 286 vessels and passed 277. Thank you again for a job well done.

I cannot say enough about how pleased I am with the Public Relations Group this year. They have gone over and above in promoting our activities and classes. I was always updated as to what they were doing and wanted to do, and they have done a great job!

Chris Hover, P, and Mike Schabeck, AP, enlightened me as to what Co-Operative charting is all about, and believe me, it is very important that this is done annually, so that charts that we ALL use can be updated. Without this vital information, the changes on our waterways and our marinas would not be known to the many boaters who spend time on our waterways. Please, for the safety of all of us on the lakes, get involved in Co-Operative charting. Ask for a form, and we will show you how simple it is to have filled out, and then you can say that you had a part in making our waterways safer.

I attended the District 9/29 Fall Conference in October, and came away enlightened with ideas to pass on to our squadron for the upcoming months. Attending these conferences is great. Talking to the many squadrons and brainstorming ideas. working on ideas that didn't quit work out the way they were intended, is how we as a District can grow and learn from one another.

Thank you to all who have helped out in one way or another, and I look forward to serving you in 2011 as your Commander.

Lt/C Linda Fairchild, AP
Executive Officer

From the Pen of Cdr Ed,

For those of you that knew I was having surgery, thank you for your prayers and concerns. For those of you who did not know, I went in for surgery on October 20th for a mass on my right thyroid. The surgeon was able to schedule the procedure in November, but the office called Oct. 14th stating they had a cancellation for the 20th. The procedure went very well, and 6 days later the biopsy came back benign. What a relief! The surgeon took the right thyroid out, which was the size of a tennis ball. He said I would be fine, that there was no need to take medication to compensate for the loss of the right side. Needless to say, when the doctor sits there and tells you that you have a mass and it needs to come out, there are a LOT of thoughts that race through your mind.

Enough about me, but I just want to say that we are so blessed - everyone of us. We take so much for granted. It is so important to get the most out of life, to live it to the fullest, because we never know what the future holds.

With the onset of shingles and being laid up for 7 weeks, and then the mass on the thyroid, I am ready to put that all behind and finish up my reign as Commander for this year with thanksgiving and praise. I am so grateful for all of the help and cooperation that each and everyone of you have unselfishly given.

I thank all of you who were asked by the Nominating Committee to take on a position. Thank you for your willingness to serve this great organization and to help build our squadron to make it more powerful, to reach new members, and to help educate the boaters and non-boaters.

Sailing to New Heights,

Cdr Ed

Congratulations to the following members for their hard work on Cooperative Charting.

P/C Larry Cole, SN - Honor Roll 1 year
