A Few Words From Your Commander,

May, 2010. The long grip of a cold dreary winter is finally letting go, and now we can make plans for summer fun and friendships on the water. Preparing our boats, making plans for our rendezvous, vacations, picnics, and parades are just a few of the activities to look forward to this season.

Our Executive Officer, Lt/C Jason Snook has planned a Sunday afternoon road trip to the Toledo Mud Hens game on May 22nd. Please call Jason for more information.

The Point Place parade is rapidly approaching us. This will be held the 1st Saturday in June, June 4th. Please plan on coming and helping out to pass out coloring books and flyers. Please contact Lt/C Jason Snook for more details.

Our June picnic is going to be held at the Toledo Yacht Club this year, indoors. The topic will be on Co-Op Charting, and from what I have heard so far, this sounds like an excellent program being planned.

There is also another get-together being planned for July other than the cruises, but more information will be coming your way.

Our Commander's Rendezvous is August 5th and 6th this year, and will also be held at the Toledo Yacht Club. If you had fun last year, you will not want to miss this year! Great ideas are in the works as we celebrate another fun-filled beach party.

Have a safe and exciting season,

Cdr Linda

From the Educational Department

So far this year, we have taught two ABC3 Classes. The first at Clay High School had 18 students with all of them passing. Ten of them took advantage of the six month free membership offered by National and joined the squadron. The second was held at Bedford High School. Ten students took the test and passed. Five of them have joined the squadron through the six month free membership.

We have our final ABC Class scheduled for Saturday, May 21st at the WW Knight Center, Perrysburg from 8 am to 5 pm. We will be serving a lunch to the students. If you can help with lunch or grading tests later in the day, please contact me. This usually is a large class for us and we can use the extra help.

Along with the ABC3 Class, we are currently scheduled to be a part of the annual radio program with the Firm Foundation at the WW Knight Center on the same day, May 21st, from 9 am to 11 am. We have invited several organizations to participate with the squadron in this broadcast. They include the Coast Guard, Coast Guard Auxiliary, the ODNR, Perrysburg Marine Patrol, and others.

The Weather Class was recently completed. I have received the test results, and six scored better than 90%. Congratulations to: Felicia Evans, Nelson Evans, Tom Smith, Jason Snook, Naim Yapragigur (who got the highest grade), and Joe Hardy, who will be joining the squadron through the six month free membership. Kudos to Don Leutz for teaching the class with these outstanding results.

The Ladies Seamanship Class is in full swing with Chris Hoover teaching it. I hear a lot of good things about this class. The Education Department is looking at doing more of these ladies only classes in the future.

I would like to offer a piloting class in the fall. Please contact me if you would be interested in taking this class.

News from the XO Dept...

The new boating season is upon us. People are either working on getting their boats in the water or at least thinking about it. It is a great time to get your vessel inspected by one of our vessel safety examiners. I am in the process of becoming an examiner myself so that I can help contribute my services. There are plans in the making to visit marinas in the Toledo area to do VSC's with Coast Guard Auxiliary. As soon as that information becomes available, it will be posted here and on the website. So let's get out and there start examining some boats. Examiners remember to turn your forms into our VSC chair Mike Schabeck.

The 21st annual Point Place Days Parade will be Saturday, June 4th at 12p.m. Participants need to be there by 11:00a.m. Tom and Gloria Parker will be driving their antique Ford fire truck.. Capt Don Dietz will be showing off the Chris Craft Excalibur, a striking go-fast boat. And Brian Fairchild will be towing two wave runners with Splish & Splash. If you want to have some fun, walk with us in the squadron unit. Or you can ride on Tom's fire truck, Brian's truck, or Don's go-fast boat if you don't want to walk it. The Western Lake Erie Safe Boating Council trailer will be set up by the old West Marine store that was on Summit St. I am looking for volunteers to help with snacks and beverages to sell to the crowd. Please call me (586) 855-6513 or email jjsnook1@yahoo.com if you are interested.

There isn't much time to plan for it, but the squadron is organizing another trip to the Toledo Mud Hens game on Sunday, May 22nd at 2p.m. Tickets are \$9.00 each. It is always a fun time, so come and join us. Please call me or email if you are interested so that I can get tickets.

WANTED – REWARD OFFERED!!!

Have you seen any vessels flying the USPS ensign? As a proud member of USPS, do you fly the ensign? Read on to find out how to participate in the D29 \$100 Ensign Raffle.

At the District Fall Conference scheduled for 21 October, a raffle drawing will be conducted to determine the winner of the \$100 prize. To participate in the raffle, your vessel has to fly the USPS ensign and be reported as spotted by another member subject to the following directions and rules:

- 1) If you spot a boat flying the ensign on the water or even in a marina or yacht club, hail the boat on channel 9, identify yourself and move to a working channel for further contact.
- 2) Get the name of the vessel, its owner, the home port and squadron, and submit it to D29.
- 3) If you are also flying the ensign, provide the appropriate information pertaining to your vessel and ask that it be forwarded in accordance with these rules.
- 4) Identify the location where the contact took place (longitude/latitude, proximate port, etc).
- 5) Submit the detail of the encounter, including your name and squadron to District 29 by email to safeboatingclass@aol.com.
- 6) On receipt of the submission, you and the other vessel will each be added to the list of participants. If the other vessel also submits the information, you will each get 2 chances to win. NOTE: Multiple submissions are admissible as long as sent by different members and at different locations. Sightings at District 29 functions are acceptable also.

All participants will be contacted to confirm eligibility. Drawing will take place Saturday, October 22, 2011 at the Fall Conference. You need not be present to win the \$100 prize; however, if you are present, an additional \$25 will be paid to you.

Our organization promotes camaraderie and this program certainly seeks that objective. Help us make it a success.

Any questions may be addressed to D/Lt Tracy Garrett at safeboatingclass@aol.com or by phone at 614-488-4758

It's a great start to this year. We received 4 new members from the Bedford High School Safe Boating Class.. They are:

Julie Hahn David Kalte Phyllis Pokonik Judy Ann Rife

That makes 11 new members from our 2 Safe Boating Classes. Three of them attended our May meeting and were warmly received by Squadron members. Hats off to D/Lt/C Larry Cole for signing up these people great job Larry. I urge everyone to meet, greet and help these new people in anyway you can. Our June picnic is coming up and I hope to see more of these new members there.
