Hello Everyone,

Sitting on the deck of our boat, listening to the water as it laps against the hull, feeling the beautiful warm breezes and the smell of the fresh air - a boaters paradise. All of a sudden my daydreaming comes to a complete halt as I am reminded by my loving husband, "Hey Lin, do you have your letter ready for the Breeze? The deadline is this weekend!" Where has the summer gone? It seems like I just wrote an article for the Breeze.

Well, I am not going to complain about how fast time flies, but I will say that it has been a very busy and fun-filled year so far. There have been few times when Ed and I have been able to say that we had nothing to do. The squadron has kept us very busy, and that is not a complaint. It is a pleasure to serve as your Commander and to represent Toledo as we attend other squadron functions.

Summer Council was well attended again this year by P/C Ed, myself, Lt/C Deb Shaulis, S, Lt/C Jason Snook, JN, and D/Lt/C Larry Cole, SN, along with P/D/C Al Hess, AP.

Speaking of other functions, please don't forget to mark down the date for our annual Fall Conference that will be held at the Holiday Inn French Quarter in October. The dates are October 21, 22 and 23, 2011. This is going to be a great conference with lots of fun, fellowship, and of course, excellent training and seminars. Let's not forget the Pirates costume judging and the excellent food!

The fall classes will be starting soon, so why not start thinking of which class you would like to take. Please contact our Educational Officer, D/Lt/C Larry Cole, SN if there is a particular class that you would be interested in.

Speaking of classes, I am proud to announce that the Toledo Squadron had its very first ladies only boat handling training on July 25th. This was an evening for the ladies that took the Seamanship class and for the new member ladies. What a great experience! Members of the Toledo Sail and Power Squadron, Western Lake Erie Safe Boating Council, and Coast Guard Auxiliary provided boats and instructors to teach, train and give the ladies more self-confidence in the handling of different sizes and types of boats. Cdr Linda and P/C Ed used their boat, the Dreamcatcher, a 28 foot Bayliner; Capt Don Dietz used the Excalibur, a "speed boat" or otherwise known as a "Cigarette boat"; and "Woody" used his 34 foot twin engine Silverton. A great time, the ladies learned a lot, and want to do this again before summer's end. Enthusiasm was definitely high!

Speaking of enthusiasm, if you have not renewed your TSPS membership, please do. As you can see, there are a lot of great things happening with our squadron, and I would like to see even more events and activities planned. This is where you come in. The more members, the more we can do. Please help us in keeping the Toledo Sail and Power Squadron up and running with renewed membership, new members and fresh ideas as we look towards the fall activities.

Till next time,

Cdr Linda

## An Evening to Remember—on the water!!

### Boating Education at its Finest!!

**Docking education:  
both bow in and stern in  
Use of spring lines on  
twin engine & single engine**

New 6-month members\* of the Squadron were invited to come to Bayview Yacht Club docks on Monday, July 25 at 6:30 p.m. There they were greeted by instructors Christopher Hoover and Woody Wlodarczyk and invited aboard Woody's boat for twin-engine docking instruction. Squadron member Rich Leichty was assigned to handle the spring lines and he did a super job. After several demonstrations of stern in and bow in docking, the new members then hopped off Woody's boat at TYC and boarded P/C Ed Fairchild's boat as Christopher Hoover demonstrated proper procedures for docking a single engine craft. When practicing controls on Woody's boat, Roe Baker was heard to shout out, "If only my husband Joe could see me now!!". Other new members attending in addition to Roe Baker were Judy Rife and friend Sharon, and Lucia Rooks. Captain Don Dietz was to be an instructor too—shoulder injury kept him out of service. But he brought his go-fast boat for those who wanted to take a thrill ride. Samantha Hoover, Mike Schabeck, Cdr Linda Fairchild, P/C Ed Fairchild, Tami Wioland, Kim Wioland, Joyce and Ernie Mease were there to give support to the event and to encourage new 6-month members to sign up for regular membership. Watch "The Breeze" for some good pics by Mike Schabeck and Tami Wioland.

Without a doubt this entire training event was a marvelous idea and experience, a fun time, and the weather could not have been better. Great thanks to all, especially Christopher and Woody (by the way, Woody is an honorary squadron member, member USCGA, and member Western Lake Erie Safe Boating Council).

Another tip received: Ace Flying Insect Killer—great for boats—does not leave yellow film and is not slippery.

\*6-month members are those who passed the two recent ABC ("America's Boating Class") and have received 6 month free squadron membership.

**What are you doing Saturday & Sunday, August 27-28???**

**Come on out to the  
Annual Toledo Antique & Classic Boat Show  
Show opens 9 a.m. Toledo Maritime Center, 1701 Front St.**

\$3.00 admission and you will find land and water displays of vintage boats plus a flea market, live music, vendors...and an all-around great time. Look for the Toledo Squadron display table (incidentally, how about saying yes when asked to volunteer—it's great meeting the public and showing your squadron pride). Free shuttle ride and admission and tour of the newly refurbished S. S. Schoonmaker museum ship (formerly the Boyer). There are some new displays and amazing photographs inside the ship, so if you haven't been there in awhile, treat yourself to a visit. Can't beat the fun! [www.toledoboatshow.com](http://www.toledoboatshow.com)

This year's show promises to be the best yet. It will be held again at the Toledo Maritime Center, 1701 Front St (east side) Saturday, August 27 and Sunday, 28th. Last year, paid attendance was over 2300. Dozens of beauties like old Chris barrel-backs, runabouts, Lymans, Inland Seas, Roamers, iceboats, hydroplanes with 1500 HP engines, Dart boats and much more were on display. Many were in the water at the docks and many more were on land, ringing the marina building. The fine assortment of classic cars and hotrods was a good show in itself. The event is coordinated by the Ramsey Brothers Restorations (419-255-2628 ). (They've given talks at squadron meetings in the past.)

Our squadron exhibit will be inside the marina building. Capt Don Dietz and others will man the Safe Boating Council trailer outside.

Last year: P/C Wayne Osborn finds a boat that is even older than he is.

Dear Fellow Squadron Members,

Thank you for your continued support of the Toledo Sail and Power Squadron.

As you know, *The Breeze* Newsletter is an important part of our organization. It is the tool we use to keep you informed.

Unfortunately, the cost of publishing and distributing *The Breeze* has become a major expense, accounting for nearly 21% of our operating budget. In order to contain these costs we are asking for your help.

You can help us reduce these costs by agreeing to receive *The Breeze* electronically. These changes will take place beginning with the October issue. If you want to continue to receive *The Breeze* in the mail, please contact Cdr Linda by returning the postcard in a letter that will be sent to you soon.

The postcard will need to be returned by September 1, 2011.

Please note that if we do not receive your returned card by the above date, you will no longer receive a hard-copy of *The Breeze* in the mail, only electronically.

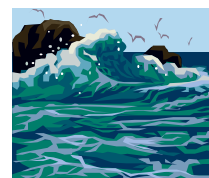

Thanks again for your support of the Toledo Sail and Power Squadron.

Sincerely,

Cdr Linda
